Ms. Yolanda Cepak, nutritionist from WIC Project #7, City of Dallas, was also offered an appointment as a dietetic intern in the TDH Dietetic Internship for the year 2001. However, Ms. Cepak has accepted another internship appointment at Texas Women's University.

I would like to thank all of you for your continued support of the TDH Dietetic Internship. As the American Dietetic Association has approved us to expand the number of interns we can accept, we encourage all interested local agency nutritionists who have completed a Didactic Program in Dietetics (DPD) to apply for the dietetic internship.
